

TECHNICAL CIRCULAR No. 815 of 7th February 2024

To	All Surveyors/Auditors. All flags
Title	Exemption Certificate, general
Reference	SOLAS

Exemption Certificate guidelines

If authorized by the Administration to issue the exemption certificate the following guidelines shall be followed.

Area (A) Certificate Type:

The certificate type is to be selected either interim or short term or full term.

Area (B) Country Name:

If a blank certificate must be used, the formal country name is to be provided by CONARINA.

Area (C) Particulars of Ship:

If a blank certificate must be used, the information is to be obtained from CONARINA.

Area (D):

Surveyor to provide the regulations for which the flag Administration has granted the exemption.

On the first line, the information required is the actual regulation which allows the Administration to issue an exemption (conferred by Regulation____), then the provisions from which the ship is exempted is to be provided on the next line (exempted from the requirements of ____).

In the case of initial issuance, this information will be provided by the flag Administration via CONARINA.

Areas (E):

Provide the details of any conditions on which the exemption has been issued, as provided by the Administration, together with any voyage restrictions – if any.

CONARINA Head Office

6505 Blue Lagoon Dr. Suite 455

Miami, Fl., 33126

Tel: 1 (786) 558 5288,

Fax: 1 (786) 325 0200,

joel@conarinagroup.com

Area (F):

The validity date of the exemption certificate shall be the same as that of the SOLAS Certificate to which it is attached (unless an Interim Certificate is issued). On the next line, indicate the certificate to which the exemption applies.

NOTE: Reference of the exemption certificate shall also be made on the SOLAS Certificate to which the exemption pertains.

Area (G):

Place of issuance, date, and Surveyor's signature to be indicated.
